Bridges of Faith

Our Inaugural Fundraising Gala

As we build bridges, unite hearts, and transform lives, we are excited to present our inaugural gala, Bridges of Faith! Celebrating our achievements over the past year it will be an evening of reflection, laughter, and inspiration.

This gala also serves as an occasion to acknowledge the dedication and hard work of everyone involved in these historic legislative and programmatic accomplishments, recognizing numerous civic and faith giants from the greater Houston area and beyond.

At our event, we will share our victories and accomplishments, including:

- **Five bills signed by Governor Abbott**, becoming the first Muslim organization in 20 years to pass legislation, impacting 2.6 million children.
- **Over 36 meaningful interfaith engagements**, including dialogues, athletic events, presentations, and more.
- **Introduction of the largest Handle With Care pilot in the nation** (children's mental health program) and the expansion to 12 school districts throughout Texas to aid child trauma.
- **Partnership with institutions** such as the Baker Institute and Meadows Mental Health Institute

For their legislative accomplishments with our organization, we will be recognizing:

- Mayor John Whitmire
